

As a parent, you can have the peace of mind by knowing your child always has lunch money by signing up for an account at MyPaymentsPlus.com. MyPaymentsPlus is a convenient, secure way to make funds available to your child for use in the dining services.

In order to take advantage of this service, you will need to create a parent account. This requires you to:

Open a NEW Account

1. Obtain your **student's ID / PIN number** from the school office or dining services.
2. **Click Establish Account**
State: Select your state in the drop down box District: Select your school's name
4. **Set Profile**
5. **Go To Preferences**, then go to:
MANAGE NOTIFICATIONS – receive **low balance email reminders** so your student's account has available monies at all times. *Parents enjoy this hassle-free feature that prevents their student's account from reaching a negative balance.*
MANAGE AUTOPAY – establish automatic payment from debit or credit card when your low balance is reached.
MANAGE STUDENTS – add student (s) to your account.

You now can add funds, view your student's balance and view your student's purchase history.

Make a Payment

There are 2 easy methods to make payments to your child's account:

1. **Cash Register.** Cash or check is accepted by the dining services cashier. No convenience fee is associated with payments made at the cash register. Please identify student names on your check.
2. **mypaymentsplus.com** There is a 4.75% convenience fee for each credit/debit card charge by MPP.
3. **AutoPay**

ACCOUNT BALANCE

Account holders are not allowed to go into a negative balance. Please set your account to send you a low balance notification via email. Select "Manage Notifications" and "Low Balance Reminders"

Questions: Direct questions regarding account balances or general service to the Food Service Director at email@lexingtonindependents.com
