INDEPENDENTS

To our East Rankin Academy parents,

We wanted to inform you that we will be transitioning to a new online web portal for Dining Services when school starts back for the fall semester. With this new system, there will be a few changes coming to our dining commons and our online system. In the coming days we will begin this transition, and the current website used to manage accounts (mypaymentsplus.com) will not be accessible. The new website will be managed by RevTrak and will require you to create a new parent account and add your student(s). These improvements will create a better, more streamlined online experience. The day-to-day process for students in the dining commons will not be affected in a significant way.

Nothing is required from you at this point. In the upcoming weeks, you will be receiving additional communications that will explain what you need to do, and we will give you step-by-step instructions. These automated emails will come from eastrankinacademy@lexingtonindependents.com, so please monitor your Spam or Junk folders if you do not receive them. We want to assure all parents that no account balances will be changed or interrupted during this process.

We thank you for your patience and understanding as we continue to advance our capabilities. Please contact our Food Service Director at any time by emailing Sara.pope@lexingtonindependents.com if you have questions or concerns.
